Press Release

Atkins Kroll and I-Recycle Partner up on the Road to Recycle

Tamuning, Guam – On Saturday, July 3rd, Atkins Kroll Toyota will present Peggy Denny, of I-Recycle, with the keys to a 2010 Toyota Tacoma in the Toyota Showroom at 11am, to assist with her ongoing efforts to help the schools, help clean up our island, and help keep aluminum cans out of the Dump.

The I-Recycle Program has helped raise awareness about the importance of recycling in our community, most notably with our island youth. With its main purpose being to provide additional funds to our schools, both teachers and students, alike, have been encouraged to separate and collect aluminum cans and place it in their respective recycling bins so that they can turn them in to Pyramid Recycling and get money back for their school. There are a total of 40 I-Recycle bins in various schools, but with the number growing so quickly, there are some schools that are participating in the program without recycle bins.

AK and Peggy Denny encourage everyone to participate in the I-Recycle program. Individuals, schools, organizations, government agencies or businesses, if you are interested in participating in the i recycle program and in helping Guam's schools, please contact Peggy at 483-9415.

Atkins Kroll Toyota is very proud to be partnering up with Peggy Denny as she continues on the *Road to Recycle*.

Note to ALL MEDIA: Please join us in the Toyota showroom Saturday, July 3, 2010 from 10:45am – 11:30 am. *Please RSVP* with Athena Ramos at 648-8415 or Daena Mansapit at 648-8641 *no later than Friday, July 2, 2010 at 11am* to ensure that we reserve a media kit for you. We look forward to seeing you at our event!
